

JOINT VENTURE AGREEMENT

This Joint Venture Agreement ("Agreement") is entered into as of July 1, 2026, between Orion Hardware Group ("Party A") and Delta Innovations Ltd. ("Party B").

1. FORMATION OF JOINT VENTURE

The parties agree to form a joint venture ("JV") for the purpose of developing and marketing a co-branded line of consumer electronics, to be operated under the name Fusion Devices JV.

2. CAPITAL CONTRIBUTIONS AND PROFIT SPLIT

Party A shall contribute \$400,000 in cash and Party B shall contribute \$100,000 in cash plus certain intellectual property. Notwithstanding the disproportionate capital contribution, profits shall be split 50/50, while losses and any capital calls beyond initial contributions shall be split according to a formula determined solely by Party B as managing partner.

3. MANAGEMENT AND DECISION-MAKING

Party B shall serve as the sole managing partner with exclusive authority over day-to-day operations, banking, and contracting on behalf of the JV, without requiring Party A's consent for expenditures under \$250,000.

4. UNLIMITED JOINT AND SEVERAL LIABILITY

Each party shall be jointly and severally liable for all debts, obligations, and liabilities of the JV, without limitation, including liabilities incurred solely through decisions made unilaterally by the managing partner.

5. NON-COMPETE

Neither party may engage in any business that competes with the JV, directly or indirectly, anywhere in the world, during the term of the JV and for three (3) years following its dissolution, regardless of which party caused the dissolution.

6. IP CONTRIBUTION AND OWNERSHIP

Any intellectual property developed by either party in connection with the JV, including improvements to pre-existing IP contributed by either party, shall become the exclusive property of the JV, with Party B retaining sole authority to license or assign such IP to third parties.

7. EXIT AND BUYOUT

If Party A wishes to exit the JV, Party B has the exclusive right to purchase Party A's interest at a valuation determined solely by Party B's appointed accountant, with no right for Party A to obtain an independent valuation. Party B has no reciprocal obligation to sell its interest to Party A under any circumstance.

8. DISSOLUTION

The JV may be dissolved by Party B unilaterally at any time upon sixty (60) days' notice. Upon dissolution, remaining assets shall be distributed at Party B's discretion after settling JV liabilities, which Party A shall remain liable for even after its interest is bought out.

9. DISPUTE RESOLUTION

Any dispute between the parties shall be resolved through binding arbitration administered under rules selected by Party B, seated in Party B's home jurisdiction, with each party bearing its own costs regardless of outcome.

10. GOVERNING LAW

This Agreement shall be governed by the laws of the jurisdiction in which Party B is headquartered.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first written above.
